

MONTANA DANCE WORKS COVID-19 HEALTH GUIDELINES

At MDW, we take the health and safety of our dancers and faculty very seriously. We will continue to implement policies, procedures and protocols in an effort to keep everyone safe and to keep our studio open for in-person classes!

1

DROP OFF AT FRONT ENTRANCE

Please use the drive thru for drop off. We are trying to limit the number of people in the building and this will help! We understand there will be times dancers will need a parent/guardian to walk them in. Dancers will be allowed one parent/guardian to assist them if necessary. A staff member will be at the entrance to greet and direct students. Hand sanitizer will be applied upon entering the building. Please be prompt, but no earlier than 5 minutes.

2

MASKS WELCOMED

Students are welcome and encouraged to wear masks

4

PICK UP IN PARKING LOT

Students will be escorted by a staff member out the side door and onto the the sidewalk for pick up. Please be cautious while in the parking lot. Please be prompt.

F

*STAY HOME

If your child is showing any signs of illness, please do not send them to class. If students show any signs of illness while at the studio, a parent will be contacted for pick up. Thank you!

Y

*ENHANCED SANITIZING

Surfaces will be sanitized throughout the day, and the entire facility will be sanitized every night.
