

MONTANA DANCE WORKS RETURN TO DANCE GUIDLINES

At MDW, we take the health and safety of our dancers and faculty very seriously. We have implemented new policies, procedures and protocols in an effort to keep everyone safe and to keep our studio open for in-person classes!

1

DROP OFF AT FRONT ENTRANCE

Please use the drive thru for drop off. No parents allowed in the building at this time. A staff member will be there to greet and direct students. Temperatures will be checked and hand sanitizer will be applied at the door. Students will not be permitted to enter with a temperature greater than 100.4 degrees Fahrenheit. Please be prompt - no earlier than 5 minutes.

2

MASKS REQUIRED IN LOBBY

Students are required to wear a mask upon arrival, departure, and in the lobby. Masks during class will be at the discretion of the parents. Teachers and staff will be wearing masks.

3

NO CHANGING ROOMS

Students should come dressed for class. A small bag and water bottle will be allowed in the studios. There will be a water bottle filling station available.

4

PICK UP IN PARKING LOT

Students will be escorted by a staff member out the side door to the sidewalk for pick up. Please be cautious while in the parking lot. Please be prompt.

F

*STAY HOME

If students are showing any signs of illness, please do not send them to class. If students show any signs while at the studio, a parent will be contacted for pick up. Thank you!

Y

*ENHANCED SANITIZING

We will have one bathroom available for use. Staff will sanitize it after every use. Surfaces will be sanitized throughout the day, and the entire facility will be sanitized every night.

I

*SMALLER CLASS SIZES

MDW will be limiting class sizes in an effort to keep students social distanced. Students will have designated dance and tumbling spaces.
